LADY CANARY

Mrs Gordon is 80 years old and she is the happy mother of three sons and the grandmother of seven grandsons. Her husband died ten years ago and she moved out of their big country house to a small flat in the city centre.

Mrs Gordon hates doing crosswords. She thinks it's boring. Watching TV is not her favourite way of spending free time, either. But she is crazy about computer games and she spends a lot of time in front of the screen.
